

PRAYER CHAIN

BETO UNIT

Kairos uses a prayer chain instead of a prayer vigil. These entries are pasted together to form a chain that hopefully will circle the conference room. Then our brothers in white may look at it and see that people do care about them enough to pray for them on their weekend.

Please only put your first name and city. Then write the day and time on the attached post-it, and place it somewhere very visible.

THURSDAY - 4:00 P.M.
